Alcolizer LE5 Drug Tester

LE5 Drug Tester technology incorporates state-of-the-art linear Detector Arrays and a patented Optical Filtering System to deliver accurate and fast drug test results from just 90 seconds. Results are clearly defined and displayed so the user is not required to interpret the presence of a line like other test devices.

- Highly responsive testing for multiple drug groups.
- AlcoCONNECT™ Live cloud-based data management when combined with AlcoCONNECT™ mobile.
- Electronic results display from 90 seconds.
- 24 month warranty.
- Certified and compliant to AS3547:2019.
- Standard ISO:9001.
